

SAKSHAM BANSAL

Project Coordinator | Program & Operations Support

+91 8209999094 | saksham.bansal0123@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFILE SUMMARY

B.Tech graduate (AI & Data Science) with hands-on project execution experience gained coordinating a national-championship-winning 5-member esports roster, handling scheduling, resource planning, and weekly KPI-review cycles, alongside a Business & Data Analyst internship delivering dashboards and process improvements against defined timelines. Comfortable managing multiple moving parts, tracking deliverables, and communicating status to stakeholders under pressure. Targeting Project Coordinator / Junior Project Management roles where structured planning and cross-functional coordination drive on-time delivery.

CORE COMPETENCIES

Project Coordination: Timeline & Milestone Tracking, Cross-Functional Coordination, Status Reporting, Resource & Schedule Planning, Stakeholder Communication, Risk/Issue Identification

PM Tools: Jira, Trello, Asana

Analytics & Reporting: SQL, Advanced Excel, Power BI, Tableau, Python (Pandas, NumPy), KPI Tracking, Dashboard Development

Leadership: Team Performance Management, Conflict Resolution, Decision-Making Under Pressure, Communication

CERTIFICATIONS

- Jira Fundamentals, Atlassian University ([view certificate](#))

RELEVANT EXPERIENCE

Team Lead & Strategist | National Valorant Esports Roster

2023 - 2026

- Coordinated a 5-member team's operations, including scheduling, role assignment, and resource planning, driving execution to a win at the National JioGames Valorant Campus Cup 2026 against college teams nationwide.
- Ran weekly performance-review cycles, tracking KPIs against milestones, identifying process bottlenecks, and adjusting strategy, a cadence modelled directly on project status reviews and retrospectives.
- Resolved scheduling conflicts and interpersonal friction under high-pressure deadlines, keeping the team aligned and on-track across a multi-month tournament season.

Business & Data Analyst Intern | Rocket Incense

May 2025 - Jul 2025

- Coordinated with cross-functional stakeholders to scope reporting requirements and delivered KPI dashboards tracking product performance, sales growth, and customer retention for an e-commerce platform serving 1,000+ daily users, cutting reporting turnaround time.
- Managed the end-to-end redesign of ETL workflows, planning the approach, tracking progress, and coordinating with data owners, reducing manual data-cleaning effort and improving reporting accuracy.
- Tracked customer activity and order data against project milestones, presenting actionable insights that directly informed feature-enhancement decisions and prioritization discussions with stakeholders.

PROJECTS

- Coaching Service:** Booking Automation & Growth Launch (Sep 2026): Scoped and ran a real service-business project automating manual session scheduling via Discord, using a full project charter, work breakdown structure, RACI matrix, and risk register to drive toward a 5-monthly-client growth target. ([view case study](#))
- Job Search Operations Tracker,** In Progress (Sep 2026): Building a fast-entry application tracker and Power BI dashboard to bring data-driven visibility to a personal job search, applying the same Discovery-to-Delivery project structure to real, ongoing work. ([view on portfolio](#))

EDUCATION

B.Tech in Artificial Intelligence & Data Science | Jaipur Engineering College & Research Centre, Jaipur

2022 - 2026

- CGPA: 8.22

ACHIEVEMENTS

- Winner, National JioGames Valorant Campus Cup 2026. Led team coordination and strategy across the national tournament.
- Qualified the Preliminary Round, Smart India Hackathon (SIH) 2023.
